22ND RUFORUM AGM 2026 PRE-AGM EVENT

WEBINAR ON

Competence-Based Assessment in Higher Agricultural Education

INVITATION

Join RUFORUM and AgrCBE partners to explore practical approaches to competence-based education delivery and assessment in higher agricultural education. Consider how teaching and assessment can reflect real-world competencies, and how course-level assessment connects with curriculum quality. The webinar continues the AgrCBE training programme and prepares participants for the education discussions at the 22nd RUFORUM Annual General Meeting in Zambia.

WHO SHOULD ATTEND

Lecturers and other higher education practitioners, assessors, curriculum developers, academic leaders, and representatives of higher education regulatory commissions. Other interested participants are welcome.

REASON TO PARTICIPATE

- Align learning outcomes, teaching and assessment with professional competencies.
- Explore practical strategies for assessing student learning within courses.
- Discuss curriculum assessment and quality expectations relevant to regulatory bodies.
- Exchange experiences and prepare for the AGM discussions on transformative education.

17 NOVEMBER 2026

15:00-17Hrs East Africa Time
